

Live Near Your Work

Considering buying a home in the heart of Baltimore? We can help. The Johns Hopkins Live Near Your Work (LNYW) program offers up to \$17,000 toward a down payment and closing costs associated with buying a house in designated city neighborhoods. LNYW started in the early 1990s with Hopkins being one of the first and largest employer to use the program.

How it Works

If you are a full-time benefits-eligible employee, you are eligible to apply for the LNYW program. If you are unsure of your status, confirm with your HR representative or supervisor, or [email the LNYW program](#) to inquire.

- The LNYW program is restricted to boundaries within Baltimore City since it is a CITY partnership program. You must remain within the boundaries in order to qualify for the grant. [Explore neighborhoods in the heart of Baltimore.](#)
- You must complete a [homebuying course and 1:1 counseling session](#) prior to making an offer on a home (certificate is valid for one year). This course helps guide you through the homebuying process.
- Once you have completed your homebuying course and counseling, have made an offer that is accepted and have entered into a sales contract, you are ready to [apply](#) (follow the step-by-step instructions listed under the Apply tab). Note: Applications are typically processed within 30 days. Please apply no later than 30 days prior to your projected settlement date for the best chance at receiving a grant.
